

The Light Car & EDWARDIAN SECTION

Summer Rally and Tour – Sunday 28th June 2009 Results

Thank you to all who supported the Light Car & Edwardian Section's Summer Rally and Tour in Rutland – we hope you enjoyed the whole weekend as much as we did.

Huge thanks also go to our hosts Willie and Dominique Sellers and family for providing a wonderful venue, to Phil Sutcliffe and John Holden for helping to pick out the best rallying roads in the area, and to Nick Bell and Olwen Curry for devising the rally navigation.

Congratulations to all award winners, and particularly to Steven Fathers and David Barker for winning the Lady Rachel and Navigator's Trophy respectively.

Don't forget about the next Section event!

Autumn Tour and Driving Tests, Sunday 13th September, Mouldsworth, Cheshire

This year's LC&ES Autumn Tour and Driving Tests will be exploring rural Cheshire.

Based at the wonderful Mouldsworth Motor Museum mid-way between Chester and Northwich, the event will combine a Tour through the delightful countryside with a few Driving Tests at different locations along the route. The Tests will be gentle on both car and brain, and will aim to provide stimulation without dizziness, as well as entertainment for driver and passengers alike!

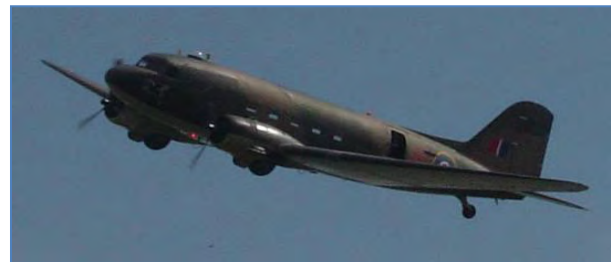

There will be a lunch stop along the way at a local hotel, and back at the finish there will be tea and cakes and the Section's Annual General Meeting. The Museum will also be open for you to have a look round – but be warned, the fascinating exhibits may keep you engrossed for hours ...

All in all, a fine way to round off the Light Car summer season.

Entry Forms are available from the Comp Secs, Andrew and Charlotte Tongue, 5 Cidermill Orchard, Weston Subedge, Chipping Campden, GL55 6QZ, by e-mail to compsec@vintagelightcar.com, or are available to download from www.vsccl.co.uk and www.vintagelightcar.com.

Entries close on Friday 28th August.

Prospective marshals are also invited to get in touch.

Hope to see you all there!
